Field Day 2024

Things we need to do:

- Identify operators, including MARC equipment operations
- Develop operating plan
- Logging
- Volunteers for Bonus Points

Field Day 2024

Identify operators, including MARC trailer operations

- Operators bringing their own equipment
 - Radio
 - Antenna
 - Identify equipment needed from MARC
- MARC Operations – Club HF, VHF, Winlink, and APRS station
 - Conduct training in equipment set up, including mast/antenna assembly

Field Day 2024

Develop operating plan

- Need operator, band/mode for the operating period
 - Consider teaming with other club members as operators, observers, or loggers.
- Prefer mix of experienced operators and new operators
- Determine the Club Entry Category and Exchange

(continued)

Field Day 2024

Develop operating plan (continued)

- Power Plan
 - Identify generator requirements and available generators
 - Conduct training in generator operations
- Grounding Plan
 - Instructions for Surface Wire Grounding Kits
- Antenna Plan
